

When does the Ewen-Trout Creek School District delay classes or close because of weather?

Because of the geographic size and rural nature of the district, road conditions throughout Ontonagon County will be assessed when making a decision to delay classes or close for the day. The safety of our students, staff and parents is our top priority.

On occasion, the district will err on the side of safety and cancel or delay classes based on forecasted temperatures or weather conditions.

School will be delayed or cancelled due to cold weather under the following conditions:

- **-25 to -30 below zero standing temperature**
- **Temperatures with wind speeds that are deemed dangerous by the National Weather Service**

All closures or delays will be announced over the school district's Power Announcement System and will also be broadcasted on the following radio and television stations:

WUPY-101 FM
WRJO-94.5 FM
WIMI-99.7 FM
WLUC-TV6
ABC10 & CW5

The district will attempt to announce any delays or closings by 9:00 PM in the evening or 5:30 AM in the morning.
