They are based on the premise that in order for the school to succeed at its primary task, which is the education of its students, it is necessary that everyone understand what is expected of them. This handbook is designed to help the parents, students, teachers, and administration achieve this goal.

## **Introduction**

The Ewen-Trout Creek Consolidated School District is dedicated to creating and maintaining a positive learning environment for all students. All members of our learning community—including students, educators (including teachers, secretaries, custodians, aides, paraprofessionals, and other school personnel), parents, and engaged service providers—must assume a responsible role in promoting behavior that enhances academic and social success. Courteous, respectful, and responsible behavior fosters a positive climate for the learning community. Those responsibilities include, but are not limited to, the following:

### **School Parent-Student Compact:**

**Students (persons enrolled in grades 7-12) have the responsibility to:**

1. Take responsibility for your learning and recognize that it is a process.
2. Attend school regularly, arrive on time, and be prepared to learn.

3. Respect yourself and others in class, on school grounds, on buses, and at any school-related activity.
4. Respect the rights and feelings of fellow students, parents, educators (including teachers, secretaries, custodians, aides, paraprofessionals, and other school personnel), visitors, and guests.
5. Work within the existing structure of the school to address concerns.
6. Know and comply with school district rules and policies.
7. Participate in your learning communities, including helping formulate rules and procedures in the school, engaging in school-related activities, and fostering a culture of respect for learning and for others.
8. Come to class prepared with books, notebooks, pencils, pens, chromebooks and charger.

**Parents have the responsibility to:**

1. Take responsibility for your child(ren)'s development as learners by, as much as possible, providing a home environment suited for learning and developing good study habits.
2. See that your child(ren) attends school regularly and on time.
3. Provide for your child(ren)'s general health and welfare as much as possible.
4. Teach and model respect for yourself, your child(ren), and all members of the school community.
5. Support the school's efforts to provide a safe and orderly learning environment.
6. Know and support the school and district rules and policies and work within the existing structure of the school to address concerns.
7. Advocate for your child(ren) and take an active role in the school community.
8. Attend your child(ren)'s parent/teacher conferences.

**School Staff Members have the responsibility to:**

1. Take responsibility for students' development as learners, including their academic success and positive social-emotional development, recognizing that children should be subject to behavior management and discipline policies appropriate to their ages and levels of understanding.
2. Model and provide a mutually respectful and accountable atmosphere for learning that includes all members of the school community.
3. Cooperate and schedule conferences with students, parents, and other school personnel in an effort to understand and resolve academic and behavioral problems. Make every effort to accommodate families whose work schedules, access to transportation, or distance from school limits their ability to meet or participate.
4. Keep parents informed of their students' challenges, effort, and success.
5. Encourage students to participate in classroom, extracurricular, and other school-related activities.
6. Know and enforce the rules and policies consistently, fairly, and equitably.
7. Participate in formulating rules and procedures and other learning and developmental opportunities in the school.

The Code of Student Conduct sets forth student rights and responsibilities while at school and school-related activities, and the consequences for violating school rules. It defines behaviors that undermine the safety and learning opportunities for all members of the school community and favors actions that encourage positive behavior and learning over actions designed to punish. When determining the consequences of student misconduct, school officials may use intervention strategies and/or disciplinary actions. Recognizing the importance of keeping students in school learning as much as possible, educators will consider the severity or repetition of misconduct, age and grade level of the student, circumstances surrounding the misconduct, impact of the student's misconduct on others in the school community, and any other relevant factors in determining how they will address misconduct. The Code of Student Conduct will be administered fairly, without partiality or discrimination. The Code of Student Conduct does not diminish any rights under federal law (20 U.S.C. 1400 et seq.) of a student determined to be eligible for special education programs and services.

**When and Where the Code of Student Conduct Applies**

The Code of Student Conduct applies before, during, and after school and whenever a student is engaged in a school-related activity. Each student is expected to follow this code of conduct:

- “At school,” meaning in a classroom, elsewhere on school premises, on a school bus or other school-related vehicle, or at a school-sponsored activity or event, whether or not it is held on school premises.
- When a student’s conduct at any other time or place has a direct and immediate effect on maintaining order and discipline, or on protecting the safety and welfare of students or school district staff.
- When a student is using school telecommunications networks, accounts, or other district services.

## **Types of Suspensions and Expulsions**

### ***Definitions:***

1. ***Detention*** – A student who has been given detention will be kept in a classroom, supervised by a teacher during the scheduled lunchtime, for the amount of detention they have been given. No student will be denied his or her lunch the day that they spend in noon detention.
2. ***In-School Suspension (ISS)*** – A student is removed from the classroom setting and spends a specified period of time in a “Detention Room”. All classroom work is brought to the student throughout the day and credit is given for work completed. Students are permitted to get their lunch at the specified time and eat his/her lunch in the detention room. A student is disallowed interaction with fellow students as much as possible while serving their “In-School Suspension”.
3. ***Out of School Suspension(OSS)*** - Removal from school for a specified period of time.
4. ***Restorative Action***—A student who has been referred for discipline will have the option to participate in restorative action. Restorative Action involves mediation between the student and the individual(s) he or she impacted through their behavior. Restorative Action is an alternative to detention and, in some cases, suspension and will only be used in cases where the safety of the entire school is not at risk. Students who participate in the restorative action process may perform school based community service tasks in lieu of serving a detention as a part of the mediation process.
5. ***Expulsion*** – Permanent removal from school. A student may be expelled from the Ewen-Trout Creek Consolidated Schools according to District Policy 5610.

### **Weapons, Arson, or Criminal Sexual Conduct Expulsion**

For students in grades six (6) and above, school districts are required to expel students who possess a dangerous weapon, commit arson, or engage in criminal sexual conduct in a school building or on school grounds. The law allows for possible reinstatement [MCL 380.1311]. The term “criminal sexual conduct” is defined in the Michigan Penal Code, 1931, PA 328 MCL 750.520.

It refers to sections which describe various levels of sexual penetration, sexual conduct, and assault with intent to commit criminal sexual conduct [MCL 750.520b, 520c, 520d, 520e, 520g]. The term “dangerous weapon” means a firearm, dirk, dagger, stiletto, iron bar, knife with a blade over 3 inches in length, pocket knife opened by a mechanical device, and brass knuckles [MCL 380.1313(4)]. The definition of “firearm” in section 380.1311 refers to the definition of that term in the federal Gun-Free Schools Act of 1994, which in turn refers to another section of federal law, which defines “firearm” as:

- Any weapon (including a starter gun) which will or is designed to, or may readily be converted to, expel a projectile by the action of an explosive.
- The frame or receiver of any such weapon.
- Any firearm muffler or firearm silencer.
- Any destructive device.

Dangerous Weapon Exceptions: School boards are not required to expel a student if the student can establish in a clear and convincing manner at least one of the following:

- The object or instrument possessed by the student was not possessed for use as a weapon, or for direct or indirect delivery to another person for use as a weapon.
- The weapon was not knowingly possessed by the student.

- The student did not know or have reason to know that the object or instrument possessed by the student constituted a dangerous weapon.
- The weapon was possessed by the student at the suggestion, request or direction of, or with the express permission of school or police authorities.

A student who possesses a weapon in a weapon-free school zone or commits arson or criminal sexual conduct at school or on school grounds is expelled from all Michigan public schools unless the school district operates or participates in an alternative education program appropriate for expelled students.

### **Weapon-Free School Zone and School Property Definition**

“Weapon-free school zone” means school property and a vehicle used by a school to transport students to or from school property [MCL 750.237a]. “School property” means a building, playing field, or property used for school purposes to impart instruction to children or used for functions and events sponsored by a school, except a building used primarily for adult education or college extension courses [MCL 750.237a].

### **Reporting Requirements**

If a dangerous weapon is found in the possession of a student while the student is attending school or a school activity, or while the student is en route to or from school on a school bus, the superintendent of the school district or intermediate school district, or his or her designee, shall immediately report that finding to the student’s parent/guardian and the local law enforcement agency [MCL 380.1313(1)].

### **Physical Assault - Student to Employee, Contractor or Volunteer**

A student in grade six (6) or above who commits a physical assault against an employee, contractor, or a volunteer of a district, at school or on school grounds, shall be expelled permanently, subject to possible reinstatement. The term “physical assault” means “intentionally causing or attempting to cause physical harm to another through force or violence” [MCL 380.1311a].

A student expelled for committing physical assault against an employee, contractor, or volunteer of a district at school or on school grounds is expelled from all Michigan public schools unless the school district operates or participates in an alternative education program appropriate for expelled students.

### **Physical Assault - Student to Student**

A student in grade six (6) or above who commits physical assault against another student shall be suspended or expelled for up to 180 school days by the school board or its designee if the physical assault is reported to the school board, superintendent, or principal. The term “physical assault” means “intentionally causing or attempting to cause physical harm to another through force or violence” [MCL 380.1310].

### **Bomb Threats or Similar Threats**

If a student in grade six (6) or above makes a bomb threat, or similar threat, directed at a school building, other school property, or a school-related event, then the school board or the designee on behalf of the school board, as described in MCL 380.1311(1), shall suspend or expel the pupil from the school district for a period of time as determined at the discretion of the school board or its designee.

## **Violations of the Student Code of Conduct**

### **Progression of Consequences**

- 3 Tardies = 1 Lunch detention
- 3 Lunch Detentions = 1 In school suspension or optional Restorative Action Conference •
- 5 Lunch Detentions = Mandatory Restorative Action Conference
- 2 In school Suspensions = Out of school suspension
- No Show for lunch detention = ISS

*If a parent decides to pull a student out of an ISS, the school will report it to the state as an out of school suspension and the student must serve an additional day of out-of-school suspension.*

## **Student Rights and Responsibilities**

If a student feels unsafe or is threatened, the student or the student's parent/guardian should contact the Principal or Superintendent.

Various types of student misconduct are defined below. These definitions of misconduct are not all-inclusive, but only representative and illustrative. A student who commits an act of misconduct not listed herein is nonetheless subject to disciplinary action. The Code of Conduct is based on the Michigan Department of Education's "Revised Code of Student Conduct." The school community will take appropriate action as deemed by the administration where allowable according to relevant district policy and will refer students to civil authorities where required by law.

1. **Bullying:** A student will not engage in bullying any student for any reason in a classroom, elsewhere on school premises, on a school bus or other school related vehicle, or at a school-sponsored activity or event whether or not it is held on school premises. Students who repeatedly engage in bullying will be subject to suspension and / or expulsion.

"At school" includes conduct using a telecommunications access device or telecommunications service provider that occurs off school premises if the telecommunications access device or the telecommunications service provider is owned by or under the control of the school district or public school academy. "Telecommunications access device" and "telecommunications service provider" mean those terms as defined in section 219a of the Michigan penal code, 1931 PA 328, MCL 750.219a.

"Bullying" means any written, verbal, or physical act, or any electronic communication that is intended or that a reasonable person would know is likely to harm one or more pupils either directly or indirectly by doing any of the following:

Use of PCDs, except those approved by a teacher or administrator, at any other time is prohibited and they must be powered completely off (i.e., not just placed into vibrate or silent mode) and stored out of sight.

For purposes of this policy, "personal communication device" includes computers, tablets (e.g., iPads and similar devices), electronic readers ("e-readers"; e.g., Kindles and similar devices), cell phones (e.g., mobile/cellular telephones, smartphones (e.g., BlackBerry, iPhone, Android devices, Windows Mobile devices, etc.), telephone paging devices (e.g., beepers or pagers), Apple watch, and/or other web-enabled devices of any type. Distracting behavior that creates an unsafe environment will not be tolerated.

Violations of this policy may result in disciplinary action and/or confiscation of the PCD. The building principal will also refer the matter to law enforcement or child services if the violation involves an illegal activity (e.g., child pornography, sexting).

Students may use school phones to contact parents/guardians before and after school and during lunch.

### **School Community Responses to Violations**

The school community will maintain a safe and supportive environment and persistently check that students can identify respectful and accountable conduct toward themselves, their peers, adults, and property. In the event that students violate any part of the Code of Student Conduct, the school community will apply support and guidance to increase the opportunity for the student to both offer restitution and learn from mistakes.

School administrators and staff may use mutually respectful and accountable intervention strategies, as determined by local district policies including, but not limited to, restorative practices, staff and student/parent conferences, auxiliary staff intervention and counseling programs, student programs for conflict resolution and peer mediation, and programs for anger management and violence prevention. They may also refer students and/or their families to community-based services such as mental health care, substance abuse prevention and diversion, and others. Any of the following intervention strategies and disciplinary actions may be used alone or in combination:

- in-school suspension
- other intervention strategies, as needed
- out-of-school suspension (short-term) from one (1) school day up to and including five (5) school days
- law enforcement agency notification
- payment for property damage

Intervention strategies are not limited to those listed herein. Other methods of addressing misconduct may be more appropriate, depending upon the circumstances. School staff and administration will seek the option that maximizes students' learning and pro-social development while prioritizing keeping students engaged in learning.

#### **If a student is persistently disobedient, the E-TC School District will take the following steps:**

1. Persistently disobedient students will be identified by the E-TC Staff and Administration
2. A meeting will be set up between the student, parent/guardian, the school and school resource officer.
3. A behavior contract or behavior plan may be implemented.
4. Failure of the student to comply with the behavior contract or behavior plan could result in referral to the court system or to the Board of Education for possible expulsion from school.

### **Very Serious Violations**

## **Other Student Responsibilities**

The school community encourages student responsibility in terms of attendance, technology, and property. The expectations for these issues are defined below.

### **Attendance**

The school district emphasizes the value of regular attendance in enabling students to benefit from the school’s education programs. Michigan law places responsibility on each student to attend school on a daily basis, and on each parent or guardian to send their child to school on a daily basis. More important, however, is the effect of regular and punctual attendance on the student’s scholastic achievement. Not only is each day’s lesson important to the individual student, the student’s participation in class contributes to the education of others. Frequent absences and tardiness, for any reason, are certain to adversely affect the student’s schoolwork. Each student is expected to be in school every day except when illness, injury, or some providential condition beyond the student’s control prevents attendance.

Students will be allowed twelve (12) days per school year with their parent/guardian’s written excuses. Students will be required to make up any school work. Students will have the number of days missed, plus one additional day to complete all make-up work. If a student misses a class more than twelve (12) times, without a doctor’s written excuse, an excuse because of a death in the family, an approved Vacation Form, or an approved Senior Personal Day, the student may be considered truant and sanctioned for excessive absences. It is the student’s responsibility to turn in their written excuse after being absent.

Absences due to reasons such as needed at home, hunting, fishing, ill, shopping, out of town, babysitting, overslept, in court, car broke down, personal reasons, etc, **will be counted in the twelve (12) days allowed per school year.** Absences due to skipping school will be counted in the 12 days allowed. Students will be referred to the School Success Coach after four absences.

After three tardies to school or to classes, students will be marked absent for one class period. Absences incurred due to tardiness will be counted in the twelve (12) days allowed for the school year.

All school required and/or approved absences **will not** be counted in the twelve (12) days allowed per school year.

*(Examples of these absences would include early dismissals, field trips, extra curricular activities for particular groups such as sports, band members, students who travel to interviews, looking at colleges/universities as well as approved appointments with the various counselors and representatives of the courts who periodically visit the school campus. All of the before mentioned absences must be with the approval of the Principal, Superintendent or Dean of Students.)*

Doctor/Dentist/Counseling/Physical Therapy appointments **will not** be counted in the twelve days, providing the student turns in to the school office an excuse slip for the appointment.

Vacations and Senior Personal Days **will** count against the student's twelve (12) days.

Teachers will each keep attendance records on their respective students through the school's computer system as well as their attendance book. Doctor slips as well as all written excuses will be kept on file in the Principal's Office. Teachers may compare their records with the office records on their classroom computer or by direct contact with the office at any time.

Married students, as well as those 18 or older will abide by the same rules as all other students.

**TO BE ADMITTED BACK TO CLASS AFTER ANY ABSENCE, A STUDENT WILL USE THE FOLLOWING PROCEDURE:**

Students in grades 7 – 12 must report to the Principal's Office **BEFORE** entering a class, with a written excuse from a parent/guardian or the doctor's office stating the reason for the absence. The excuse must include the full name of the student, date of absence and the signature of the student's parent/guardian or doctor.

**Students who are absent or have late work will have (5) days to turn in their missing assignments.**

**1st Day after returning - No Penalty**

**2nd Day Late - Reduce grade by 20%**

**3rd Day Late - Reduce grade by 30%**

**4th Day Late - Reduce grade by 40%**

**5th Day late - Reduce grade by 50%**

**Technology**

The student will respect school district technology by adhering to the district's technology use policy. **Property**

The student will respect the school-district-provided lockers by adhering to the district's policy. **Lockers Are School Property**

All lockers assigned to pupils are the property of the school district. At no time does the school relinquish its exclusive control of its lockers. The principal or his/her designee shall have custody of all combinations to all lockers or locks. Pupils are prohibited from placing locks on any locker without the advance approval of the principal or his/her designee.

**Legitimate Use of School Lockers**

The school assigns lockers to its pupils for the pupils' convenience and temporary use. Pupils are to use lockers exclusively to store school-related materials and authorized personal items such as outer garments, footwear, grooming aids, or lunch. Pupils shall not use the lockers for any other purpose, unless specifically authorized by school board policy or the principal or his/her designee, in advance of pupils bringing the items to school. Pupils are solely responsible for the contents of their lockers and should not share their lockers with other pupils, nor divulge

locker combinations to other pupils, unless authorized by the principal or his/her designee.

### **Search of Locker Contents**

Random searches of school lockers and their contents may have a positive impact on deterring violations of school rules and regulations, ensure proper maintenance of school property, and provide greater safety and security for pupils and personnel. Accordingly, the board authorizes the principal or his/her designee to search lockers and locker contents at any time, without notice, and without parent/guardian or pupil consent.

The principal or his/her designee shall not be obligated to but may request the assistance of a law enforcement officer in conducting a locker search. The principal or his/her designee shall supervise the search. In the course of a locker search, the principal or his/her designee shall respect the privacy rights of the pupil regarding any items discovered that are not illegal or against school policy and rules.

### **Seizure**

When conducting locker searches, the principal or his/her designee may seize any illegal or unauthorized items, items in violation of board policy or rules, or any other items reasonably determined by the principal or his/her designee to be a potential threat to the safety or security of others. Such items include, but are not limited to, the following: firearms, explosives, dangerous weapons, flammable material, illegal controlled substances or controlled substance analogues or other intoxicants, contraband, poisons, and stolen property.

Law enforcement officials shall be notified immediately upon seizure of such dangerous items or seizure of items that schools are required to report to law enforcement agencies under the Statewide School Safety Information Policy. Any items seized by the principal or his/her designee shall be removed from the locker and held by school officials for evidence in disciplinary proceedings and/or turned over to law enforcement officials. The parent/guardian of a minor pupil, or a pupil eighteen (18) years of age or older, shall be notified by the principal or his/her designee of items removed from the locker.

**Students in grades 6-12 are eligible to request an additional locker to store personal items. Students will pay a refundable fee of \$5 for an extra locker, if the locker is undamaged at the end of the school year the deposit will be returned to the student.**

## Ewen-Trout Creek School District Dress Code

While fashions change, the reason for being in school, as well as the school rules and policies do not. All students in school are there for the purpose of learning. Any fashion that disrupts the educational process or presents a safety risk will not be permitted. If a student selects a manner of appearance/dress that presents a risk to themselves or others, they may be removed from the educational setting.

***The following styles or manners of dress are not allowed at the Ewen-Trout Creek K-12 School:***

The classroom teacher is the final authority for judging the appropriateness of a student’s appearance and they reserve the right to determine when dress and grooming styles are unsafe, are not in good taste, or when they create a disruption of the learning process. A student may be sent home for violating the dress code. Any absence for such violation is unexcused. Repeated violations of the dress code will be considered as a disruption to the learning environment and will be subject to the appropriate consequences.

Students who need to leave school during the day for reasons of illness are required to inform the office and call their parents prior to their departure. Permission to leave the school building at any time during the school day for reasons other than illness must be secured in advance from the Principal’s Office. In any event, permission to leave the campus during the school day, including the lunch period, will be granted only for medical or dental appointments, family emergencies, personal illness, and legal obligations. ### **Personal Curriculum Option**

The personal curriculum (PC) is a process to modify specific Michigan Merit Curriculum (MMC) high school credit requirements and/or content expectations based on the individual learning needs of a student. It is designed to serve students who want to accelerate or go beyond the MMC requirements and students who need to individualize learning requirements to meet the MMC requirements. The parent or guardian of a student for whom a personal curriculum is sought, or the student if the student is of the age of majority or an emancipated minor may request a personal curriculum.

Other potential requesters include, a teacher who is currently teaching the student (who currently teaches in, or whose expertise is in, a subject area proposed to be modified by the PC, or who is determined by the principal to have qualifications otherwise relevant to developing a PC), or a school counselor or school employee qualified to act in a counseling role.

If the student has an Individualized Education Program (IEP), the personal curriculum request may be submitted prior to 9th grade, although any resulting PC may not be implemented until the onset of 9th grade. The earliest submission timeline for all other PC requests is after the student has completed 9th grade.

If the parent/guardian/student is interested in more information on the PC option, or would like to make a request for a PC, please contact Tony Basanese, Ewen-Trout Creek School District Superintendent, 7-12th Principal.

## **Inclement Weather / School Delay / School Closure**

In the event of extremely cold or stormy weather, school may either start late, or be canceled for that day. The Ewen-Trout Creek School District uses an information system that will alert parents/guardians by telephone, text message, and e-mail. For this reason, it is very important that your current telephone number as well as your email address be listed on the forms returned to the school office. The School District will inform local radio/television stations as has been done in the past as well. If the weather worsens after the start of the school day, school may be

dismissed early. Again, this would be announced through our information system and on the local radio/television stations. Students are generally kept indoors for their scheduled recess periods in the event of extreme cold and or stormy days.
